12:00:02 2 Plaintiffs?  
12:00:03 3 MR. SCHAUF: No.  
12:00:04 4 JUDGE SHIRLEY: Redirect?  
12:00:04 5 MS. KLEIN: Your Honor, I have no questions on  
12:00:06 6 redirect, but I would like to move into evidence the summary  
12:00:09 7 document and the other Exhibit PX-1470 and then the summary  
12:00:15 8 document, PX-1460, into evidence.  
12:00:18 9 JUDGE SHIRLEY: Any objection?  
12:00:20 10 MS. RIGGINS: No, Your Honor.  
12:00:22 11 JUDGE SHIRLEY: So admitted.  
12:00:23 12 MS. KLEIN: Thank you, Your Honor.  
12:00:24 13 (Plaintiffs' Exhibits 1460, 1470 were admitted  
12:00:24 14 into evidence.)  
12:00:28 15 JUDGE SHIRLEY: You may call your next witness.  
12:00:30 16 MS. KLEIN: Thank you.  
12:00:32 17 Plaintiffs call Christopher Ketchie to testify in  
12:00:35 18 this matter.  
12:00:36 19 THEREUPON,  
12:00:36 20 CHRISTOPHER KETCHIE,  
12:00:36 21 having been called as a witness by and for the Plaintiffs,  
12:00:36 22 and having been duly sworn, was examined and testified as  
12:00:36 23 follows:  
12:01:13 24 DIRECT EXAMINATION BY MS. TAJ:  
12:01:14 25 Q. Good afternoon, Noor Taj for plaintiff Common

Maren M. Fawcett, RPR, CRR  
Official Court Reporter

12:01:17 1 Cause.

12:01:17 2 Can you please state your full name for the

12:01:19 3 record.

12:01:20 4 A. Christopher Dalton Ketchie.

12:01:22 5 Q. And what is your occupation, Mr. Ketchie?

12:01:24 6 A. I'm a senior data analyst at the Southern

12:01:26 7 Coalition for Social Justice.

12:01:28 8 Q. How long have you been in that role?

12:01:30 9 A. Cumulatively, seven years.

12:01:32 10 Q. And what does that role entail?

12:01:35 11 A. Analyzing voter and election data, as well as

12:01:39 12 drawing and analyzing redistricting maps at all levels of

12:01:43 13 government.

12:01:44 14 Q. And do you have any other relevant work experience

12:01:46 15 prior to joining Southern Coalition?

12:01:50 16 A. I was a redistricting consultant for a local law

12:01:52 17 firm in Raleigh previous to that.

12:01:55 18 Q. What is your educational background?

12:01:57 19 A. I got my undergraduate degree at the University of

12:01:59 20 North Carolina at Chapel Hill and my graduate degree at

12:02:04 21 North Carolina State University, which was a master's of

12:02:09 22 forestry with a concentration in geographic information

12:02:12 23 systems.

12:02:12 24 (Plaintiffs' Exhibit 1482 identified.)

12:02:13 25 Q. I'm going to direct your attention to what's been

Maren M. Fawcett, RPR, CRR  
Official Court Reporter

12:02:14 1 marked as Plaintiffs' Exhibit 1482. Can you let me know  
12:02:18 2 when you see it in front of you on the screen.

12:02:21 3 A. I see it.

12:02:23 4 Q. And do you recognize this document?

12:02:23 5 A. Yes.

12:02:24 6 Q. What is it?

12:02:25 7 A. It's an affidavit that I put together in reference  
12:02:28 8 to this case last month.

12:02:30 9 Q. And if you scroll down, there are several tables  
12:02:33 10 that are exhibits to this affidavit. What are these tables?

12:02:38 11 A. There's -- there's six tables in total and they  
12:02:42 12 each correspond to redistricting plans. So there are three  
12:02:48 13 for the Congressional, Senate and House for the ones that  
12:02:52 14 were in place for 2020. I'm just going to refer to those as  
12:02:55 15 the previous maps. And then the other three are for the  
12:02:58 16 same Congressional, House and Senate for the Enacted Maps.

12:03:04 17 Q. If we can focus on Exhibit 1. What is this table?

12:03:08 18 A. It's -- This is a table for the previous  
12:03:11 19 Congressional Plan.

12:03:14 20 Q. And if you can start from left to right, can you  
12:03:16 21 describe what is in each column?

12:03:18 22 A. The first is the district number. The second one  
12:03:21 23 is the representative or incumbent. The third is the race  
12:03:28 24 of the incumbent. The fourth is the party of the incumbent.  
12:03:33 25 The next four are census data, and they're just demographic

Maren M. Fawcett, RPR, CRR  
Official Court Reporter

12:03:40 1 categories of census data, all are voting age population.  
12:03:44 2 The first one is non-Hispanic white. The second one is any  
12:03:49 3 part Black. The third one is Hispanic, and then the fourth  
12:03:52 4 one is any part Indian or Native American. And the third --  
12:03:59 5 sorry, excuse me, the ninth and tenth columns are partisan  
12:04:05 6 composite scores from Dave's Redistricting app.

12:04:09 7 Q. How did you prepare this table, starting with  
12:04:12 8 columns one through four?

12:04:15 9 A. I went to the General Assembly's website and  
12:04:17 10 collected data on who was in each district at the time, and  
12:04:24 11 I confirmed their race and their party on the State Board of  
12:04:29 12 Elections voter look-up tool.

12:04:32 13 Q. And then what about columns five through eight,  
12:04:35 14 how did you prepare those?

12:04:37 15 A. I took the block assignment files from the General  
12:04:42 16 Assembly's redistricting website and imported them into  
12:04:45 17 Maptitude. And in creating districts, you are allowed to  
12:04:51 18 select summary fields for census demographics, and these are  
12:04:55 19 the four that I chose, and it just gives you a percentage  
12:04:58 20 for each of these four demographic categories for each  
12:05:01 21 district.

12:05:02 22 Q. Is Maptitude widely relied upon in your  
12:05:05 23 experience?

12:05:05 24 A. Yes. It's the same redistricting program used by  
12:05:08 25 the General Assembly.

Maren M. Fawcett, RPR, CRR  
Official Court Reporter

12:05:09 1 Q. And where does that data that's used in Maptitude  
12:05:12 2 come from?

12:05:13 3 A. The U.S. Census Bureau.

12:05:15 4 Q. So just to summarize, you took the public block  
12:05:19 5 assignment files, loaded them into Maptitude and then just  
12:05:22 6 generated the metrics from the census data?

12:05:25 7 A. Yes.

12:05:25 8 Q. Did you manipulate the data or do any kind of  
12:05:29 9 analysis with that data?

12:05:30 10 A. No.

12:05:31 11 Q. Okay. And then turning back to Exhibit 1, how did  
12:05:33 12 you prepare the last two columns of data?

12:05:36 13 A. So on Dave's Redistricting app home page they have  
12:05:40 14 a map of the United States and if you click on the state of  
12:05:43 15 North Carolina, on one of the first links on that page, it  
12:05:47 16 takes you to a page where they have all six of the maps that  
12:05:51 17 are referenced in this affidavit with these six exhibits. I  
12:05:55 18 took -- so I took -- for this one, I would have clicked on  
12:05:59 19 the previous Congressional Plan and then gone to the  
12:06:03 20 statistics summary tab, and it has these two columns for the  
12:06:08 21 partisan composite scores. I exported those out and then  
12:06:12 22 plugged them into this table.

12:06:14 23 Q. Again, did you do any kind of analysis on that  
12:06:16 24 data or just export it?

12:06:19 25 A. Just straight exporting.

Maren M. Fawcett, RPR, CRR  
Official Court Reporter

12:06:21 1 Q. And then for Exhibits 2 through 6 of your  
12:06:24 2 affidavit, what process did you use for creating those?

12:06:29 3 A. The same process, except for a slight variation  
12:06:32 4 for the enacted districts. I made note if a district that  
12:06:37 5 was created either had no current representative or if it  
12:06:41 6 double bunked two representatives.

12:06:44 7 (Plaintiffs' Exhibits 1562-1567 identified.)

12:06:44 8 MS. TAJ: Thank you.

12:06:45 9 I don't have any further questions, but Your  
12:06:46 10 Honors at this time I'd like to move into evidence Plaintiff  
12:06:50 11 Exhibits 1562 through 1567, which are Exhibits 1 through 6  
12:06:56 12 from the Christopher Ketchie affidavit.

12:06:59 13 JUDGE SHIRLEY: Any objection?

12:07:02 14 MR. PENCOOK: No objection, Your Honor.

12:07:03 15 JUDGE SHIRLEY: All right. 1562 through 1567 are  
12:07:07 16 admitted.

12:07:07 17 (Plaintiffs' Exhibits 1562-1567 were admitted into  
12:07:07 18 evidence.)

12:07:08 19 JUDGE SHIRLEY: Do you have any direct --  
12:07:08 20 cross-examination?

12:07:10 21 MR. PENCOOK: No, Your Honor.

12:07:11 22 JUDGE SHIRLEY: All right. Sir, you may be  
12:07:12 23 excused.

12:07:13 24 You may call your next witness.

12:07:21 25 MS. RIGGS: Your Honors, Plaintiffs call
